

REMARKS

Claim 20 and new Claims 21-27 are active in the case. Claims 2 and 8-19 stand withdrawn from consideration.

The present invention relates to UV absorbers that have an affinity for textile fibers.

Claim Amendments

Claims 21 and 27 have been amended to insert a missing word in the description of polyamine component (d). Further, Claims 23 has been amended to delete the recitation of a word that whose presence in the claim renders it awkward in construction. None of the amendments introduces new matter into the case. Entry of the amendments into the record is respectfully requested.

It is now believed that the application is in proper condition for publication.

Respectfully submitted,
